

Cleaning rules for accommodated students, dormitory Na Větrníku

1. The client will regularly clean the room, take out the waste bin, dust the furniture as required, dust window sills, clean the floor, and defrost and wash the refrigerator.
2. Any damages on the equipment and devices in the rooms and other accommodation areas must be reported in the damage log at the reception, or electronically.
3. Upon moving in, the client must fill out the damage list, and submit it at the reception.
4. Before moving out of the room, a proper cleaning must be made, including floor and furniture cleaning; the garbage must be taken out, and the fridge defrosted and washed.
5. Damaged or destroyed equipment or devices, and/or damaged wall paint, is considered damage incurred to the Dormitories and Refectories, and compensation will be sought.
6. The bedclothes may be changed once in three weeks in the bedclothes storage area.

These provisions are effective as of November 13, 2015

Mik Dalibor
Chairman of the Dormitory Board
