# Registration via the ESN App (Website)

The screenshot shows the ESN App website interface. On the left is a blue sidebar with navigation icons and labels: Home, Events, Tutor Hub, Event Templates, and Management. The main content area features a night photograph of a city with a large stone bridge over a river. Below the image, the text reads: **Exchange, better!** ESN CU Prague is here to make your international experience better. No matter if you are an incoming student, doing your international mobility or a local student wanting to broaden your horizon. Our focus is the promotion of international spirit, tolerance in all facets of culture and the fostering of international understanding. At the bottom left of the page, there is an HR icon and a 'Frequently Asked Questions' link.
