Registration via the ESN “App” (Website)

The screenshot shows the ESN CU Prague website. On the left is a blue sidebar with icons and labels: a star icon, Home, Events, Tutor Hub, Event Templates, and Management. The main content area features a night photograph of the Prague Castle and Charles Bridge over the Vltava River. Below the image, the text reads: **Exchange, better!** ESN CU Prague is here to make your international experience better. No matter if you are an incoming student, doing your international mobility or a local student wanting to broaden your horizon. Our focus is the promotion of international spirit, tolerance in all facets of culture and the fostering of international understanding. At the bottom left of the main area is an orange circle with 'HR' and a 'Frequently Asked Questions' link.

Onboarding Course for International Students

The aim of this course is to help our new international students with **orientation and adaptation** to their new life at Charles University. How to navigate the university structures and **make the most out of all the available services and opportunities**? How can you cope with culture shock and adjust to the new environment? How to find support and help when needed? And what legal imperatives should you be aware of?

These are just some of the key challenges our new international students face each year. This course offers answers to them, **providing the necessary navigation, resources, and tools** so you can focus on your studies and enjoy your stay with us.

Buddy programme

Find friends from all over the world!

ESNcard - Buy in our App or office!

- Official membership card of the Erasmus Student Network
