¹ If the host university does not use the ECTS credit system, please specify what type of course recognition will be used, i. e. required workload for 1 ECTS credit.

² The study plan can be made up of mandatory (P), elective (PV), and/or optional courses (V). Mandatory courses can be used as equivalents only in exceptional and justified cases. An exception has to be made for the student by the guarantor of the study programme and the lecturer of the given mandatory course. If a course taken abroad has no specific equivalent in the student's accredited study programme, it shall be recognised as an optional subject.
