

ERASMUS+: QUESTIONNAIRE FOR FHS STUDENTS

Academic year and semester:

Study programme at FHS:

Name of the host university:

Faculty/department at the host university:

Is it possible to attend courses offered by other faculties than the one where you were enrolled?

Does the host university require any proof of language competence? If so, what type?

Does the host university/city/country or any local organisation offer any scholarships for international students?

Could you provide any websites that could help the students to find more information concerning the university, courses, etc.?

How would you evaluate the difficulty of studies at the host university in comparison with FHS?

What aspects of studies at the host university would you evaluate more/less positively with regard to FHS?

How would you evaluate the support from the host International office in general?

Do you have any other useful information for the FHS students who are interested in studying at this university?

Email (your email address will be available to our students only, it won't be published on our website):

Thank you for completing the questionnaire!

The information provided may help other students who are interested in this university.

Please send the questionnaire to: international@fhs.cuni.cz.
