Wi-Fi at CU

WI-FI connection at Charles Univestity is available via **EDUROAM** Wi-Fi Network by using
- either **Eduroam login details from the home university** of a student
- or his/her **Charles University Eduroam login information**:
  The *username* is as follows personalnumber@cuni.cz
  (you find your personal student number underneath the photo on your Charles University Student Card; when signign up, ensure that you type your username in the full format, i.e. including the domain:@cuni.cz)

  The *password* is to be set up via Charles University CAS website after collecting your CU Student Card. How to Set Up Eduroam Password instruction

How to Connect your Device instruction
