Exam Dates Registration in the SIS

1. Go to the icon Exam Dates

If you need to sign up for the exam dates in the courses provided by some other Faculty than the FHS, first you need to change the link menu Work with subjects (on the toolbar at the top on the right) for the particular other Faculty.

Please note: if it is the case and you need to register for exams also in some of the FHS courses, then you will need to change the Work with subjects menu for the FHS.

2. Go to the Register Tab

3. Select the Courses filter option: for all my incomplete courses

4. Tick the particular course and Go to Search

5. Select the appropriate Exam date

6. Click on Register
