You may **view the courses** of the Faculty of Humanities in foreign languages **via the links below in the FHS Courses Overview Section**.

When designing your Learning Agreement, please consider the course offer available at the time of applying and note that it is subject to change, whilst the offer for the next academic year (semester) will be a modification of this one, some new courses may be introduced and some of the current courses may be discontinued. **So please note that it is likely that you will need to make changes to your original Learning Agreement later during the add/drop period to courses depending on the up-to-date course offerings and timetable.**

By clicking on the course title provided in the individual entry for each course listed in the overviews, you get a detailed **course outline**.

In addition to our regular BA and MA courses including Erasmus Mundus EuroPhilosophie courses, you may also consider courses provided by our partners (UPCES, CERGE-EI and CET). Please note, some **specific enrolment requirements apply to both UPCES and CET** courses (please see below).
