Study abroad opportunities for FHS students

As a full degree student at the Faculty of Humanities, you are eligible to study abroad. However, always make sure that the particular programme you are applying for accepts English speakers or other than Czech citizens. If you do get selected and if you are not an EU resident, make sure that you fulfill all the visa requirements before you go abroad. Simultaneously, you might pay extra for visa fees, health insurance etc., so make sure that you have sufficient funds to cover all of your expenses (abroad as well as upon your return). While abroad, you are not excused from paying the tuition fees here at the Faculty.

There are many options you can choose from, but **the most suitable programme for you is [Erasmus+](#)** through which you can study abroad at one of our [partner universities](#) . The programme is very inclusive (there are no limitations as to citizenship or age) and if you get selected, you will be awarded a grant to help you fund your studies abroad.

Here is a quick overview of various study programmes:

- [Erasmus+](#)
- [Inter-University Agreements](#) (the list of FHS partner universities is available [here](#))
- [Bilateral International Agreements](#)
- [Other mobility programmes](#)
