
Faculty Management

- **The independent academic management of the Faculty** is carried out by the Dean , Academic Senate , Research Board , and Disciplinary Board . These inform members of the faculty's academic community about different activities taking place, so that members' opinions can be taken into account on various documents and crucial arrangements. Members of the academic community are also welcome to put forward their own suggestions concerning the work of the management.
- The Dean's Board is the Dean's advisory group regarding affairs concerning the Faculty and its parts.
- The Faculty Secretary is in charge of economic affairs and inner-administration of the Faculty.
