The central Charles University website for outgoing Erasmus+ students is available [here](#) .

Please note: if you are **not an EU resident**, make sure that you fulfill all the visa requirements **before** you go abroad. Simultaneously, you might pay extra for visa fees, health insurance etc., so make sure that you have sufficient funds to cover **all of your expenses** (abroad as well as upon your return). There are no additional grants that you are eligible for and **you won't be excused from paying the tuition fees here at the Faculty**. Most of the Erasmus countries are more expensive than the Czech Republic and as the Erasmus grant is not designed for covering all of your expenses, **we advise you to have sufficient savings**.
