Login: username (with @ and jinonice domain)

Password: you can set up the password by going to:

cas.cuni.cz (login name is personalnumber@cuni.cz) or
user.jinonice.cuni.cz (login name is username@cuni.cz)

Note: For security reasons it is necessary to use **other password than for logging to the CAS or Jinonice domain**.

CU Web Applications

- **Whols look-up tool**

Whols is a look-up tool enabling users to search within a central registry of individuals connected with Charles University (staff, students, lifelong learning participants, members of University and faculty bodies, etc.), the University's organization structure, and personnel data (especially professional and career information). The application provides contact data (telephone numbers, email addresses) for individual teachers and other university staff.

- **Charles University Grant Agency**

A system dedicated to Charles University students (studying Master's and PhD degree programmes) and used to submit applications for Charles University Grant Agency (GAUK) funding and perform other administrative procedures throughout the life cycle of a GAUK project.

- **Thesis and Dissertation Repository**

An overview of theses and dissertations defended at Charles University, including their full texts and reviews.

The applications are available at this website: <https://is.cuni.cz/webapps/?lang=en>
