

# Student ID Cards

Your student card is the first requirement for proper functioning at the Faculty and University. After enrolment, you can pick up your card from any of the CU card service centres (<https://cuni.cz/UKEN-135.html>). Without such card, you will not be able to log into the Student Information System which means you will not be able to enrol into courses or exams.

Charles University (CU) Student Cards serve as evidence of the holder's relation to Charles University. CU Student Cards are issued at the [CU Point](#) and other [Card Issue Centres](#). Office hours can be found [here](#). When issuing a CU Student Card, students need to bring their ID card in order to identify themselves.

CU student cards serve as a universal key to a huge variety of services at the University, saving you time and making your life easier. The CU Student Card allows you to:

- use it as a **Travel Pass** with a 30-day, monthly or 90-day season ticket (a paper voucher sold by the Prague Public Transport Company to be used with the ID card) for [Prague Public Transport](#). The student discount applies only to students who have not reached the age of 26. For more information on CU Student Cards in Prague's public transport system see this [webpage](#).
- log in to the [Student Information System](#) (SIS).
- access CU facilities/services (internet, computer labs, library, copying / printing etc.).
- order lunch in any [CU cafeteria](#).

Further information regarding CU Student Cards can be found [here](#).
