WI-FI connection

Follow [this link](#) for instructions about connecting to the EDUROAM WI-FI network.

Login: username@cuni.cz

Password: you can set up the password by visiting the [Charles University Authentication Service](#) . After logging in, go to "Other accounts" -> "Set password for eduroam realm cuni.cz".

Note 1: For security reasons it is necessary to use **a different password** than the one you use to log into the CAS/SIS.

Note 2: Eduroam password cannot be set by users who have their CAS password reset via a WWW form - the password is not safe for this purpose

CU Web Applications

- **Whols search tool**

Whols is a search tool enabling users to search within the central registry of individuals connected with Charles University (staff, students, lifelong learning participants, members of University and faculty bodies, etc.), the University's organizational structure, and personnel data (especially professional and career information). The application provides contact data (telephone numbers, email addresses) for individual teachers and other University staff.

- **Erasmus application**

An application for Charles University students (intended for submission and processing of Erasmus applications of outgoing CU students), and for international students (submission of applications for Erasmus at Charles University).

- **Thesis and Dissertation Repository**

An overview of theses and dissertations submitted and defended at Charles University, including their full texts, reviews, and other attachments.

The applications are available on this [website](#) .
