## ESN CU Prague

ESN CU Prague is a group of volunteers, mostly Czech students of Charles University, who, for many reasons, want to help the international students enjoy their time in Prague.

They organise **various events** for both international and Czech students - trips & excursions around Prague and the Czech Republic, sport events, cultural and social events, **tandem teaching programmes** and many other activities including the **Buddy program** for incoming students.

For more information concerning the activities, students can:

Like ESN CU Prague Facebook page: [www.facebook.com/ESNCUPrague/](http://www.facebook.com/ESNCUPrague/)
