If you are interested in our Bachelor’s program Liberal Arts and Humanities, but the exam seems too difficult to you, you can apply for our Preparatory Course. The course will help you to develop your academic reading and writing skills. Course participants get a sample admission exam text to write a summary and answer following questions (until March 31, 2021), and afterwards they receive professional review for their draft exam summaries (until April 14, 2021). Moreover, on April 24, 2021 course participants will get an opportunity to personally discuss their draft exam summaries and their preparation for the exam with teachers and lecturers of the faculty. The consultation will be held online by means of videoconference program MS Teams (or similar platform).

Course fee: 100 €

More course instructions will be available to you as soon as you apply for the course and successfully pay the course fee.
