
International Conference "Money – Crisis - Conjuncture"

Faculty of Humanities, Charles University , organizes on May 11 - 13, 2017 international conference Money – Crisis - Conjuncture .

The purpose of the conference is to provide insights into questions connected with financial crises during the Middle Ages and early modern period. The second aim of the conference is to contribute to the "little divergence" debate on long-term economic development.

The main lecture will be presented by Professor Peter Spufford (University of Cambridge).
